THAKUR POLYTECHNIC ANNUAL MAGAZINE

VISION

"We will empower youth by imparting quality technical education and strive to prepare students with excellent technical skills".

MISSION

1. We will offer value added quality technical education & excellent academic training to our students.
2. We will provide state of art infrastructure with latest facilities.
3. We will strengthen industry institute interaction.
4. We will make continual improvement in all institutional activities.

Certificate of Registration

QUALITY MANAGEMENT SYSTEM - ISO 9001:2015

This is to certify that:

Zagdu Singh Charitable Trust's (Regd)
Thakur Polytechnic
Thakur Complex
Kandivli (East)
Mumbai-400 101,
Maharashtra
India

Holds Certificate No: **FS 585551**
and operates a Quality Management System which complies with the requirements of ISO 9001:2015 for the following scope:

Provision of full time diploma courses in Engineering & Technology (Electronics engineering, Electronics & Telecommunication Engineering, Computer Engineering, Information Technology, Mechanical Engineering, and Civil Engineering).

For and on behalf of BSI: *Chris Cheung, Head of Compliance & Risk - Asia Pacific*

NATIONAL BOARD OF ACCREDITATION

NBCO Plaza, East Tower, 4th Floor, Shiloham Flaman Marg,
Prajni Vihar, New Delhi-110 003
Tel: +91 11 4358 0505-23, 4338 0504, Telex: +91 11 4308 4903
Website: www.nbai.org

Date: 05-03-2020

To,

The Principal
Zagdu Singh Charitable Trusts Thakur Polytechnic,
Thakur Complex, Kandivli (E),
Mumbai-400 101, Maharashtra.

Subject: Further accreditation status on the basis of Compliance Report of the programs offered by Zagdu Singh Charitable Trusts Thakur Polytechnic, Thakur Complex, Kandivli (E), Mumbai-400 101, Maharashtra.

Sir,

This is regarding Compliance Report submitted by Zagdu Singh Charitable Trusts Thakur Polytechnic, Thakur Complex, Kandivli (E), Mumbai-400 101, Maharashtra for the Diploma Engineering programs which were accredited by NBA for academic years 2017-18 to 2019-20 whose validity is expiring on 30.06.2020.

2. An Expert Team conducted data verification of the programs on 16th February, 2020. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (Diploma)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Engineering	January, 2019 Document	Accredited	Academic Years 2020-2021 to 2023-2024 i.e. upto 30-06-2023	Accreditation status granted is valid for the period indicated in Col or till the program has approval of the competent authority, whichever is earlier.
2.	Information Technology		Accredited		
3.	Electronics & Telecommunication Engineering		Accredited		
4.	Mechanical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Zagdu Singh Charitable Trusts Thakur Polytechnic, Thakur Complex, Kandivli (E), Mumbai-400 101, Maharashtra as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Chaitanya

*I bow down to Goddess Sharda, the bright,
full of noble thoughts, all pervading,
holding flute, book and rosary removing
ignorance and conferring wisdom.*

About Thakur Polytechnic

Thakur Polytechnic is affiliated to the Maharashtra State Board of Technical Education (MSBTE) and conduct courses approved by the All India Council for Technical Education (AICTE), New Delhi and recognized by Govt. of Maharashtra. It fulfils all the norms and standards set by the AICTE as well as the Maharashtra State Board of Technical Education. The Polytechnic was accorded approval by AICTE vide their letter no. F-740-80-819 - (F)/FT/98 dt. 24th July 1998.

Thakur Polytechnic (Tpoly) was established in the year 1998. It is primarily to cater to the need of students desirous of pursuing technical education after the Secondary School Certificate examination. It provides the best infrastructure facilities matched by an equally competent teaching faculty and a right academic ambience to make learning a delight full experience.

As reflected in mission statement the Tpoly has set upon itself a responsibility of providing quality technical education comparable to international standards and

preparing students with vocational excellence. To meet the quality assurance requirement, the institute has opted for ISO 9001:2015 from BSI (British Standard Institution). To ensure quality education, management is committed to render quality technical education & is striving continually to improve its effectiveness by taking relevant measures.

Thakur Polytechnic was accredited by National Board of Accreditation (NBA), New Delhi with effect from 15-03-2012 for three years for Mechanical Engineering, Electronics & Telecommunication Engineering & Electronics Engineering. The Institute re-accredited for 2nd time accreditation for five courses i.e. Mechanical Engineering, Electronics & Telecommunication Engineering, Electronics Engineering, Computer Engineering & Information Technology for two years with effect from 01/06/2017.

Thakur Polytechnic has been conferred with the ISTE (Indian Society for Technical Education)

Narsee Monjee Best Overall Performance Polytechnic award for Western Region in a ceremony held at the 47th ISTE National Annual convention Saintgits College of Engineering, Kottayam, Kerala on 27th January 2018.

Thakur Polytechnic has been awarded Best Laboratory Award to Metrology & Quality Control (MQC) Lab of Mechanical Engineering Department by Maharashtra State Board of Technical Education (MSBTE) cash Prize of Rs. 50,000/- for further development of Lab.

Thakur Polytechnic received permission to conduct specialized courses from AICTE for Skill Development under Pradhan Mantri Kaushalya Vikas Yojana (PMKVY) for various courses.

Education is the movement from darkness to light

From Chairman's Desk

The concept of globalization has become a reality and the world has become a global village in true sense of the term. The advancements in the field of Information Technology and other computer applications have diminished the distances to unbelievable proportions. The availability of tremendous amount of information at a click of button has radically changed the perception of learners about education institutes, particularly the ones which cater technical education.

With the approach of multinational enterprises in developing countries, the skilled manpower requirements in the organized industrial

sector are being redefined. More stringent standards in technical education and training are being evolved. As a result a new breed of engineering professionals, from managers to floor workers trained as per the international norms will be the need of an hour..

We, at the Zagdu Singh Charitable Trust believed that the Thakur Polytechnic will contribute positively towards molding a new generation of technical professionals worthy of serving from the industry thereby to the society in the emerging scenario and participate in the process of nation building.

It will be our endeavor to provide the best of infrastructural facilities matched by equally competent teaching faculty. I am confident that the right academic ambience prevailing at the Thakur Polytechnic will make learning a delightful experience for learners.

From the desk of CEO

Thakur Polytechnic has proudly stepped into a legacy of contributing to nation's development by promising to produce highly skilled Engineers for many years to come. The institution has been carved out and erected by visionaries of India who take a distinguished place to meet the globalized ethos of technology. Students are nurtured into technically sound leaders who can design and drive in the global market. It epitomizes the belief that an institute is not just a place for promoting academic excellence based on rote learning but upholding an academic excellence based on under-

standing of the basics and logic behind each subject, which promotes innovations, applications, discovery and the will to drive the nation to new heights!. The pool of talent in the form of the faculty is trained to take care of overall development of the students. Various forums and special cells provide a platform for the students to expand the learning horizon and interact with stalwarts from all walks of life.

To synchronize with other rapidly growing globalization & technical advancement across sectors, Thakur Poly-

technic has developed a well-equipped strong infrastructure and well-equipped laboratories and workshops, to facilitate the best of learning ambience.

Dr. S. M. Ganeshari
Principal

In Today's world of Technological revolution, has become mandatory for every technical institute to keep abreast with the latest up-coming technologies. To meet this need highly skilled & professional engineers are required.

We , at Thakur Polytechnic make every effort to meet the rapidly growing demands of fiercely expanding technical world by producing quality and skilled engineers, who can be worthy of contributing to the development of the nation; with their incredible technical knowledge, innovative skill and professionalism.

"Never stop fighting until you arrive at your destined place-that is, the unique you"

- Dr. A.P.J. Abdul Kalam

"In the end, what makes a book valuable is not the paper it's printed on, but the thousands of hours of work by dozens of people who are dedicated to creating the best possible reading experience for you."

— John Green "

G.S. Views

I would like to start by saying “do not make boundaries for yourself , get experience, you might discover things about yourself that you had no idea about.” But presence of fear does not mean absence of courage . We have all heard the proverb ‘Once bitten twice shy’. This itself exemplifies how well we learn from our experiences . Personal experiences leave an indelible impression on our minds that are more lasting and valuable than any knowledge gained by sitting behind closed doors and 4 walls.

A live example is in front of you, I still remember , on the day of first year orientation, we were told that we should have at least 2 certificates . Me pretending to be the “studious” one decided to enrol my name in the first 2 competitions , without knowing what they were . Rather did I know , life will make me face my biggest fear at the time called ‘stage’. But I decided to say yes. For me public speaking was impossible and not my piece of cake ,rather did I know I would have to stand in front of a auditorium filled with so many audience, but here I am.

We are at a stage of life where we have time to learn new things , we can make our fears and work on making them our strengths. These three years of my life have thought me to face what come in front of me with out running away from it , this college has given me opportunities to realize my self worth and

make me who I am and work on being who I want to be .

I would like to thank our Management, CEO Shri Rajesh Singhji, Principal sir Dr. S.M. Ganeshari, Sarita ma’am and Saloni Ma'am. I would also like to thank my HOD Ganesh Sir , all the other HOD's , and special thanks to Nirmala ma’am for keeping me motivated for all the hurdles I have faced in past years. My sincere thanks to Rita ma’am , Anuradha Ma'am, Sonal ma'am, Poonam Ma'am , Monali ma'am , Ashwariya Ma'am, Avantika Ma'am and Uday Sir for believing in me, also thanks to all the student committee members , other teaching and non teaching staff for always being cooperative.

Without taking much of your time , once again I would like to thank everyone, you have been there for me and most importantly I would like to thank myself for not giving up on me . Thank You !

Ms. Soniya Kadam
TYEJ

C.S. Views

Our journey in Thakur Polytechnic has been an amazing experience. Stepping out from school and stepping into Thakur Polytechnic, I thought would be challenging. I had no idea about the environment and the staff of the college but after my first visit to the entire college I felt secured and comfortable. The entire faculty of Thakur Polytechnic is very supportive. The teaching and non-teaching faculty of this institute has always given us the opportunity to take up responsibilities, exposure to the corporate world and have always had a great amount of confidence and belief in us.

Talking about the infrastructure of the college, the college has a very beautiful library with all the books available in it. Ranging from technical books to novels and other field related books, it has everything. We have labs with the latest technologies and also a very interactive classroom. The college has always focused on the enhancement of the practical knowledge of the student rather than theoretical knowledge. Being a part of this college, it has helped me to explore myself, build up on my skills be it technical or personal skills. As an individual it has helped me to develop my personality, improve communication skills and has polished me on my skills.

Apart from studies we also have many events in the college and I being the cultural secretary had the opportunity to organize all the cultural events. Having this post gave me a sense of responsibility and dignity. The college has an amazing fest, sports events, ISTE events and also cultural events where we get to showcase our intelligence, talent and capabilities. The college provides us a secure and open environment for building up on our skills. Being the cultural secretary of the Thakur Polytechnic I got the experience of leading a team, meeting the college expectations and it has made me responsible

TYCO

CIVIL ENGINEERING

- ◆ Visit to sewage treatment plant was arranged for TYCE Students on 16th September 2019 at versova
- ◆ A survey visit of FYCE students to “Rishiwan (Borivali west)” was conducted under the subject Basic Surveying on 28th-Feb-2020.
- ◆ Visit to “Sion Nature Park” of TYCE students was conducted on 12th-Feb-2020

STUDENTS ACHIEVEMENTS

- ◆ Mst. Daksh Jain won 1st position in prima vera workshop in Zephyr-2019.
- ◆ Students of TYCE Mst Cristopher D’mello and Mst Arvind Vadar won 3rd position for MSBTE Technical Paper presentation at Thakur Polytechnic on 23rd September 2019.
- ◆ 2 students from TYCE- Arvind Vadar and Satyanarayan Gupta won 2nd prize in Technical paper presentation competition at St. Johns polytechnic on 6th January 2020.
- ◆ Daksh Jain & kajal Morajkar of TYCE participated & won first prize in state level technical quiz competition held on 23-Jan-2020 at Vartak Polytechnic college.
- ◆ Aditya Tiwari & Christofer D’mello of tyce participated & won second prize in state level technical quiz competition held on 23-Jan-2020 at Vartak Polytechnic college.
- ◆ Daksh Jain & Arvind Vadar from TYCE participated & won 1st prize in Technical Paper Presentation in Pravin Patil Polytechnic College on 15th-Feb-2020.

MECHANICAL ENGINEERING

- ◆ Visit to “Mahindra and Mahindra, Chakan was arranged for TYME students on 3rd August, “
- ◆ Visit to “Reliance Thermal Power Plant”, Dahanu was arranged for SYME students on 19th
- ◆ Visit to Blue Star, Silvasa and Ice Plant, Silvasa. and Ice plant Silvasa was arranged for TYME students on 17th January 2020.

STUDENTS ACHIEVEMENTS

- ◆ Geetanjali Gupta and Chirag Verma from TYME won 3rd prize in Paper presentation in Fr. Agnel, Vashi on 20th and 21st September 2019
- ◆ Mansi Marolia and Mohd Adnan Qureshi Students of TYME won 2nd Prize in Paper Presentation that was held at St. John’s Polytechnic, Palgar.
- ◆ Arun Pillai and Kushal Shah won 1st prize in MSBTE sponsored Technical Quiz Competition was conducted by

department of Mechanical Engineering at Thakur Polytechnic, Mumbai on 21st January 2020.

Congratulations

COMPUTER ENGINEERING

- ◆ Visit to Keshav Shursti, Uttan Bhandar. Was arranged for TYCO students on 31st August 2019 .
- ◆ Visit to Virtual Reality Lab was conducted on for TY and SYCO students on 13th and 14th January 2020 .

STUDENTS ACHIEVEMENTS

- ◆ Mst. Sunny Yadav & Mst. Shubham Singh won 1st position in the technical gaming competition in Zephyr-2019
- ◆ Students of TYCO won 1st position for Technical Paper presentation at Thakur College of Engineering Technology (TCET) on 20th September 2019.
- ◆ Mst. Rishi Kitawat and Ms. Nivedita Rajbhar won 1st position (Winner) with cash prize of 5000 Rs. for poster competition for topic SOCIAL CAUSE: TEEN DEPRESSION AND SUICIDE at Thakur college of management studies on 17th January 2020.
- ◆ SMART INDIA HACKATHON program under AICTE was organized by CO dept on 25th January 2020. All branches student participated in the program. The category was software and hardware projects.

ELECTRONICS AND TELECOMMUNICATION

- ◆ Visit to Electric Loco Shed Central Railway, Vidyavihar was organized for TYEJ students on 12th Jan 2020.

STUDENTS ACHIEVEMENTS

- ◆ Divmaan Yadav and Vishwajeet More from TYEJ presented paper on Advanced Wireless Communicatiin Fr.Angel Polytechnic ,Vashi on 21st September 2019
- ◆ Pradip B. and Radhika of SYEJ won first prize in State Level Technical Paper Presentation ,MSBTE Approved at Technovent 2020, Vidya-vardhini Bhausaheb Vartak Poly-technic ,Vasai road .
- ◆ Ahtesham Khan ,Rohan Yadav Divmaaan Yadav, Vishwajeet More, Aniket Dhanawad and Sonia Kadam of TYEJ students have participated in presentation on Warning System For Driver (Speed Limit) Internal Hachathon -2020 was held on 25th January 2021

INFORMATION TECHNOLOGY

- ◆ Visit to Keshav Shursti, Uttan Bhayander. was conducted for TYIF students on 9th August 2019 .
- ◆ Visit to CETTM, MTNL Powai, Mumbai was organized for SYIF and TYIF students on 26th February 2020 .
- ◆ Visit to Go Cheese was organized for TYIF students on 11th March 2020

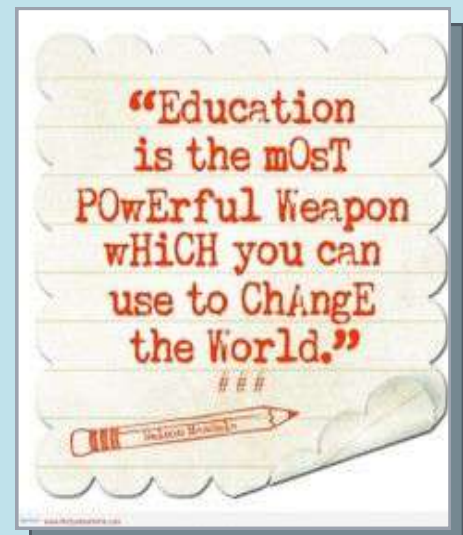

STUDENTS ACHIEVEMENTS

- ◆ Master. Allan & Master prince From TYIF won 1st position in Poster Making and Master Shubh Shah & Ms. Pratima Singh from TYIF won first position for model making competition held on account of engineers day.
- ◆ Students of first, second and third year participated for National level paper presentation competition "NASA space app challenge" held at Thakur College of Engineering Technology (TCET) on 17th September 2019

- ◆ IF department arranged workshop on BACKEND DEVELOPMENT (PHP+SQL) in association with study league IT solutions for TYIF students on 2nd to 5th July 2019
- ◆ Students of IF participated in the technical event "Zephyr-2019" held at Thakur College of Engineering Technology (TCET) from 18th to 20th September 2019.

MODEL MAKING COMPETITION

- ◆ .Model making competition was held in the Thakur Polytechnic premises on 13th September 2019, which was organized by the ISTE committee. All the students regardless of whether they were participants or

Were expected to dress in formals in order to represent unity and to celebrate 'Engineer's Day' in loving memory of 'M. Visvesvaraya'. The winners are as follows:

Sr.no	Names	Department	POSITION
1	Pratima S.	CO & IF	WINNER
2	Subh S.		
3	Prachi Kadam	CO & IF	RUNNER UP
4	Purvi Gujar		
5	Maitry Dave		
6	Devesh	ME	WINNER
7	Rahul Kanojiya		
8	Hanzola Maknojiya	ME	RUNNER UP
9	Neeraj Patel		
10	Vishal Shetty		
11	Pulkit Singh	EJ	WINNER
12	Mehul Barkul		
13	Mihir Mandalia	EJ	RUNNER UP
14	Suraj Yadav		
15	Vrund Patel		
16	Jitendra Singh	EJ	RUNNER UP
17	Rushil Pathare		
18	Manav Shah		
19	Sreyas Nair		

UMANG VISIT

About a few years back, there was hardly any awareness about Slow Learners. Even medical practitioners from cities were not able to diagnose 'Autism' accurately. Treatment and rehabilitation of these children are far-fetched difficult to achieve

Umang's efforts to help children with autism and slow learning disorders have had a positive impact on both the children and also their families in coping with these problems. It is fulfilling an increasing need for special schools for these differently abled children while increasing awareness of these disorders in society in general. More than 100 such children are being given therapy and counselling at Umang, by qualified staff and well-equipped facilities. Right now, through Umang Trust are treating 90 children from Brihan Mumbai Corporation schools.

So just to bring a smile on those pretty faces and help them learn virtually, about 35 students and 5 teachers visited our college. Arrangements were made by our enthusiastic staff and students of the ISTE committee.

QUIZ COMPETITION

Quiz competition was held in Thakur Polytechnic premises on 10th January, 2020; which was organized by the ISTE committee. There were total 54 students that participated in the competition

Sr.no	Names	Department	POSITION
1	Christie	IF	WINNER
2	Vedant More		
3	Yash Singh	SY ME	1 st RUNNER UP
4	Sufyan Rizvi		
5	Kushal Shah	TY ME	2 nd RUNNER UP
6	Arun Pillai		

EXTEMPORE COMPETITION

On 30th of August 2019 the ISTE committee of Thakur polytechnic organized the interdepartmental extempore competition

THE COMPETITION WAS JUDGED BY:

Mr. Ajay Patil and Mrs. Rajashree Prasad Parab

Winners of the competition was :- Mechanical engineering department

1st runner up: - Information technology department

Also there was a best speaker chosen amongst the above mentioned participants

Winner: - Soniya Kadam (Electronics and Telecommunication)

1st runner up: - Zoya Khully (Information Technology)

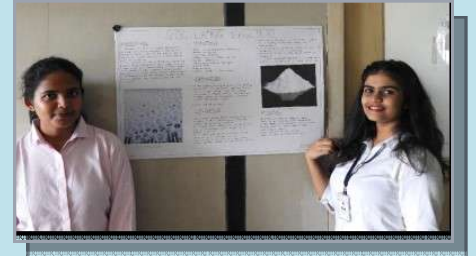

2nd runner up: - Yash Sawant (Mechanical Engineering) Atharva Bagwe (Civil Engineering)

POSTER MAKING COMPETITION

On 13th September 2019, Poster making competition was held in the premises of Thakur Polytechnic itself which was conducted by the ISTE committee.

The basic motive behind celebrating this day was to bring all the upcoming engineers together to inculcate a sense of technicality in them.

Poster Making

Sr.no	Name	Department	Position
1	Christofer Thomas	CE	Winner
2	Shrunkhala Shinde	CE	Runner up
3	Karishma Avhao Yukta Chaubal	CO	Winner
4	Nivedita Rajbhar Rishi Kitawat	CO	Runner up
5	Vighnesh Iswalkar Ravikumar Yadav	ME	Winner
6	Adnan Qureshi	ME	Runner up
7	Pradeep Bhandhari Radhika B	EJ	Winner
8	Chaitanya Sawant Mihir Mandaliya	EJ	Runner-up
9	Allan Fernandes	IF	Winner

INTER-DEPARTMENTAL DEBATE COMPETITION

The Debate competition was organized on 26th-27th September 2019.

In the Final round the team were as follows:-

<u>Topic :Academic dishonesty,First step to Corruption</u>			
For (EJ team A)		Against (IF team B)	
Kamlesh Parmar	FYEJ	Maithili Jha	FYIF
Yash Shaikh	SYEJ	Bhavya Gor	SYIF
Soniya Kadam	TYEJ	Allen Fernandes	TYIF
EJ team A won The Debate Competition			

TANTRA UTSAV

Thakur polytechnic organized "Tantra-Utsav", a state level paper presentation (Electronics, Mechanical, Civil and Computer Engineering Group) and quiz competition (general and technical) ,Auto-Cad, Model Making (Electronics, Mechanical, Civil and Computer Engg. Group) ,Debate (Electronics, Mechanical, Civil and Computer Engg. Group), Circuit designing. It was two day fest 30th and 31st January 2020, under ISTE Students Chapter(MH-116), sponsored by Maharashtra State Board of Technical Education (MSBTE), Mumbai

Tantra Utsav started with the inauguration ceremony on 31st January 2020. Dr. Shrikant Charate, Director of Amity school of engineering and technology and Mr. Nidhesh Saxena admission in marketing was the chief guest. The jury for the event was Mr. Rishiraj Upadhyay, he's an application developer for the company Contenstack Developer.

He was the jury for the TPP event of Computers branch. Mr. Rishikesh Mishal, Co- Founder at Effygo Warehousing & logistics PVT LTD., as the jury for TPP competition of the Mechanical group. Mr. Rohan More, HOD of Civil Dept, from Pravin Patil Polytechnic Bhayandhar, as the jury for TPP of CIVIL group. Mr. Pratik Jhuryhinwala he's the C.E.O of CRP Control Engineers, and is welcomed as the jury for the Electronics group .

State Level Debate Competition .

This provides an opportunity for the students to exchange knowledge and ideas and also burst up confidences in them. State level debate competition was held on 30th and 31st Jan 2020 under ISTE Students Chapter MH116 sponsored by MSBTE. Various teams from different colleges participated in this competition . The speakers of various colleges spoke eloquently on the topic. The participants speaking for both 'for' and 'against' the motion debated enthusiastically. The highlight of the event was the question answer round, as a volley of questions were answered confidently by both the sides. The first round was held on 30th Jan and the winners from the first round were qualified for the quarter finals which was held on the second day.

TANTRA UTSAV

Sate Level Paper competition

Aim of this competition was to provide a highly motivating opportunity for students and educators to work collectively in team building. It was indeed a sea of brilliance, as team after another came forward armed with incredible, original prototypes, research papers and advancements. Fielding question after question by the judges, the participants displayed their undying thirst for knowledge, whilst showcasing their immense interest and the astonishing amount of effort and research put into each of their individual presentations. This event was conducted on 30th Jan 2020 under ISTE Students Chapter MH116 sponsored by MSBTE. Around students from various Polytechnics from all over Maharashtra participated for the same. Juries from different Polytechnic were invited to judge the competition.

Computer Group

The winners from the computer group were Deon Gracias and Christie Joyson.

Electronics Group

The winner from the electronic group was Soniya Kadam.

Mechanical Group

The winners from the mechanical group were Wajeed Moham-

Civil Group

The winner from the civil group was Agnel Xavy Korian.

Congratulations!

TANTRA UTSAV

Circuit Designing

The winner of circuit designing was Jitendra Singh

Code Master

Aim of the competition was to test the coding skills which helped them build their logic to solve the given problem statement. The students from various colleges participated enthusiastically and wrote the code to give the desired output for the problem statement. The languages used by the student were C, C++ and Java .

Computer Group

The winners from the computer group was Sarah Carvalho.

Electronics Group

The winner from electronics group was Mihir M Sarnayate.

Model Making

This event was held on 31st Jan . Students from various colleges showcased their working models which can be used for learning various concepts . The objective was not only to inculcate a scientific attitude and research-mindedness but also creating teaching aids. It involves students to participate in activities so as to understand the cognitive, affective and psychomotor aspects of the task.

TANTRA UTSAV

Computer Group

The winner from computer group was Pravin S Shinde and group.

Electronics Group

The winner from electronics group were Manav Shah and Rushil P.

Mechanical Group

The winner from mechanical group was Harshit Joshi and group.

Civil Group

The winner from civil group was Bharat Aggarwal and group.

Congratulations

TANTRA UTSAV

Quiz Competition

The quiz competition was held on 31st January. Quiz competitions are always interesting and informative, which provide excitement among the students and also make them aware of current affairs. Rules and regulations of the quiz were explained at the beginning. It was interesting three-round competition, including objective questions with options round, buzzer round and audio-visual round. The students showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the teams tried to answer them with confidence.

The winners of the quiz competition were Kajal Morajkar and Mohammed Gouse Sayed.

International Yoga Day

21 st June 2019, Friday

On the occasion of International Yoga Day Social Welfare Cell of Thakur Polytechnic have arranged Yoga for staff members and Social Welfare Cell volunteers with the help of Patanjali Yog Samiti. In this event around 100 people done yoga and Aasan.

Flag Selling

15th August, Wednesday

The college has celebrated Independence Day with great pomp and reverence. Social welfare team has volunteered the program me energetically. After the flag hosting team with the instruction of Dr. Suresh Pathak (program officer) distributed cloth bags to all the guests and to all the staff members, which was made by students to spread the awareness of save environment by banning plastic bags. Prior to the program NSS volunteers distributed flag to whole college members to spread patriotic feeling. This program concluded by reciting the full version of national anthem.

Hindi Diwas

14th September , Saturday

On the occasion of "Hindi Diwas" Social Welfare Cell of Thakur Polytechnic have arranged Hindi Poem competition for students. Around sixty students participated in this competition. Theme for this competition was "Deshbhakti" and "HasyaKavita". Mrs. Sonal Devlekar. and Mrs. Nilam Parmar were the judges for this competition. At the end certificates were distributed to participants.

Beti bachao beti padhao and Anti-plastic campaign

21st September 2019

Social Welfare Cell of Thakur Polytechnic arranged rallies on various social topics such as “Beti Bachao, Beti Padhao” And “Anti-plastic campaign” in the area of Thakur village, kandivali East. Students and staff of TPoly actively participated in these rallies and created awareness among the people.

“Road Safety”, “Swachh Bharat”

28th September 2019, Saturday

Social Welfare Cell of Thakur Polytechnic arranged rallies on various social topics such as “Road Safety” And “Swachh Bharat” in the area of Thakur village, kandivali East. Students and staff of TPoly actively participated in these rallies and created awareness among the people.

Training on Disaster Management

2nd January, Thursday

Social Welfare Cell of Thakur Polytechnic arranged one day training on “Disaster Management” for first And second year students and staff members. Around 500 people trained under this training. Training was given by Mr. Pankaj Tripathi from Lord fire safety.

MOC Drill for Students an 2nd and 7th January

Social welfare Cell of Tpoly conducted Mock drill for all students and staff . It is a practice as how to save life in real time situation of any kind of danger calamity that occurs with no advance or very little time to evacuate from place. Mostly helps when Earthquake, Sudden Fire or Building Collapse. It was given by Mr. Pankaj Tripathi from Lord fire safety

Republic Day 26th January, Sunday

Social welfare Cell of Tpoly participated in Republic Day on 26th January. It was the matter of great pride for all of us. Needless to say, the whole college had worn the appearance of a beautiful bride. The students of SWC showed their patriotism by performing PARADE. The Principal, teachers and the students didn't want to leave any stone unturned in making this monumental day a memorable one

Food Grain Distribution 28th January, Tuesday

Social welfare Cell of TPoly conducted Food Grain Distribution on 28th January. It was great feeling by doing this honorable work .Thakur polytechnic has collected these whole grains from students and the staff and distributed them to tribal girls in jawahar palghar ,working along side the Bal Sanjivan Chhavani program run by the Vithu Mauli Charitable Trust. This trust is working against child malnutrition in tribal areas. They also provide job counseling to tribal youth and train tribal girls as nurses. Our staff members Dr. suresh Pathak, Mr. Pankaj Singh and students of social welfare Cell and cultural committee participated in this great work

Congratulations

INDEPENDENCE DAY

Thakur Polytechnic celebrated Independence Day with unprecedented patriotic fervour on 15th August, 2019 with CEO of Thakur Polytechnic Shri Rajesh Singh sir , Principal Dr. S.M.Ganechari sir and Principal of TCOS Dr.Mily Jashank Ma'am.The gamut of celebration commenced with hosting Tri color at the campus followed by the National Anthem. It has echoed whole campus.

NAVRATRI CELEBRATION

Navratri is a Hindu festival celebrated in the autumn every year. It is observed for various reasons and celebrated differently in various parts of the Indian sub-continent. In Gujarat, Navratri is a community event, where people perform Garba on devotional songs that are popular by the names of 'Dandiya Raas' and 'Garba Raas', and perform Jaagran (waking through the night), to please the Goddess. Gujarat, is a favorite pilgrim for devotees, during Navratri.

On this occasion, Thakur Polytechnic organized Navratri Celebration (Ghoomer -Garba Dance) on 05th October 2019 between 10 am to 3 pm which was coordinated by cultural committee.

The celebration started by offering prayers to Goddess Durga and then by performing Garba and Dandiya Raas. All the Students, Faculty and Staff Members of Thakur Polytechnic were invited to attend the event.

The event was well attended by all the enthusiastic students, faculty and staff members in traditional grooming. Students decorated aarti thali and coordinated the activities to make the event successful. All of them celebrated the evening with joy and cheer. It was a colorful event with teachers joining the students enthusiastically in their dance.

ANU GOONJ CELEBRATION

Anu-goonj an event of Thakur polytechnic ,curated by the cultural committee, with the help and guidance of teachers. Anu-goonj is a part of “GOONJ...EK AGAAZ” ,the annual fest of Thakur polytechnic and it takes place before the GOONJ. It was held on 26th December 2019 it commenced around 09:30 am and inauguration was done by cutting the ribbon and lighting the lamp. and at 10.00am different events of anu-goonj in which student of tpoly had actively participated to show up their hidden creativity.

Sketching: great artists often say that nature is the best teacher and the best way to learn sketching art. It develops observation skills, aesthetic sense and connects with nature to explore its beauty so, the students created eye-catching masterpieces of sketch.

Karaoke, Short Film participants had won the

Scavenger Hunt - It is a competitive game wherein participants have to form a team of 4 and are supposed to complete the task given by the host within a limited time period. If the participants win the challenge they get qualified for the next level and the prize money.

ANU GOONJ CELEBRATION

Last but not the least and everyone is fond of E-games (Pubg and Counter Strike) was also organized. Students expressed their happiness by yelling on winning the game. "Fun and Fair" was also organized after 12pm where stalls of food stuffs, jewellery, games were arranged at the ground floor lobby area. Stalls of food and games were the center of attraction. And the event ends by giving the certificates as token of appreciation to the winner of the anu-goonj various event and the best department trophy i.e. which department collected maximum point and won maximum events in anu-goonj .

GOONJ...EK AGAAZ

GOONJ : EK AGAAZ ..The most awaited event of Thakur Polytechnic is celebrated with great energy, every year. But this year was not any ordinary year since Thakur Polytechnic completed its 21 years . 28th December 2019, the event was celebrated at Thakur College of Engineering. Presided over by the Principal of the Thakur Polytechnic, , the function was attended by the " Dr. Deven Shah, Vice Principal of Thakur College of Engineering " as the chief guest of GOONJ.

GOONJ...EK AGAAZ

Preparations for the annual function were made a month in advance. The Principal of Thakur Polytechnic "Dr. S.M.Ganechari shared few words with all. He also highlighted that we not only offers the best in academics but also encourage an overall development of the student through various extracurricular activities conducted and taught by their talented and capable faculty members. The chief guest also delivered a valuable speech. In his speech he gave much importance to the need for arranging such a program. He encouraged the students for their laudable performances. The chief guest gave away prizes to brilliant students and sportsmen. He congratulated the Principal and staff on the progress made by the college. The Principal thanked the chief guest .

The students were honored for their academic and nonacademic achievements. Maity sir, The Chief Instructor of TIAT , shared his few words with the audience and enlightened us with the real run of the actual world leaving us all inspired.

Distinguished guests, elite guardians, and the students of the college also attended the inaugural

function. The events of the day-long program included music, dance, speech, narrational anchoring and chorus.

The event started off with a tribute to Lord Ganesha – The Vighnaharta & Bringing us to entertainment the theme of the event was “A Rhythmic Content”. The show was reckoned with the dance performances of the department s of TPoly, TCOS & TIAT.

GOONJ...EK AGAAZ

A power pack performance by the very flaired students of Tpoly. A huge number of students participated to make this event a successful one. The function came to an end with National Anthem

This program really left a great impact on everyone. The college after the grand success of the GOONJ hopes for another event to come which will be another exciting day for them. The journey of the success never ends .

III rd		Raaj Vyas	91.79

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

Malcolm X

LIFE-A BLOSSOM FLOWER

Life is a constant battle,
Between want and need.
Each day is grueling struggle,
Between should and have.
We all crave for the escape,
For that little red door in our life,
But we fail to understand that,
Life isn't like Alice in a wonder-
land.
Sometimes we have to make the
choice,
To go through that little blue door.
Just so that we can realize,
How liberating we can become.

How the difficult choice somehow,
Manages to set us free like never be-
fore.

काश हम बच्चे होते

हरकतों से नटखट और कामों में कच्चे होते,

काश हम बच्चे होते ।

होमवर्क का टेंशन होता ,

दोस्तों में हमारा मेंशन होता ,

खिलौनों की बारात होती,

खुशियों की सौगात होती ,

कभी कभी झूठे पर मन के सच्चे होते ,

काश हम बच्चे होते ।

मैदानों में लंबी लंबी छलांगे लगाना,

लकड़ी के घोड़े को दूर तक भगाना,

मन्दिर की घंटियां कंधे चढ़कर बजाना,

अपनी किताबों को अच्छे से सजाना ,

थोड़े से बुरे और थोड़े से अच्छे होते ,

काश हम बच्चे होते ।

काश हम बच्चे होते ॥

बळीराजा

भेगाळलेल्या जमिनीवर
पडू दे चार थेंब पावसाचे
पेरु दे बियाणे धरतीवर
मागतो दान हे नवसाचे
॥१॥
पाऊस काळ जवळ येता
डोळे आकाशाकडे लागतात
पडू दे जोरदार पाऊस आता
मागणे हे देवाकडे मागतात

मातीत खरं सोनं पिकवून
धरतीशी इमान राखतो
भरावं जगाचं पोट म्हणून
चिखला मातीतही राबतो ॥३॥
कधी दुष्काळ कधी सुकाळ
होत राहती निसर्गाचे आघात
मुक्त होण्या अवघड काळ
नको करू बळीराजा
आत्मघात ॥४॥
इतिहास घडव होवून संघटीत

शेतमालाला तुझ्या मिळव भाव
घडव संघशक्तीतून अघटीत
गर्जू दे जगात तुझे नाव ॥५॥

स्वातंत्र्य दिन

दिडशे वर्ष इंग्रजांनी लुटले
माझ्या भारताला
गुलामीतून बाहेर काढण्या
आपल्या भूमातेला
भगतसिंग , राजगुरु, सुखदेव
यासारख्या वीरांनी
जगेन मरेन तर देशासाठी,
लढले प्राणपणांनी ॥१॥
सत्य अहिंसेचे पुजारी, राष्ट्राचे
पिता बापू
निशस्त्र लढ्यांनीही इंग्रज
थरथर लागले कापू
सिंहगर्जना ठरला लोकमान्य
टिळकांचा आवाज
माझा जन्मसिध्द हक्क हीच
स्वराज्याची गाज ॥२॥
सुभाषचंद्र बोस यांची आझाद
हिंद साद

याच हाकेने राज्यभर उठले खूप
पडसाद
खरे नेते तेच ज्यांनी घरदार
सोडले
निश्चय निर्धाराने इंग्रजांना
तोडले ॥३॥
झालो आपण आज इंग्रजांपासून
स्वतंत्र
पण खऱ्या अर्थाने गेले का
आपले पारतंत्र्य?
थांबत नाही आजही शेतकऱ्यांची
आत्महत्या
पाहतात उघडया डोळ्यांनी सारे
मानवतेची हत्या ॥४॥
स्त्री भ्रूणहत्येला लागला
नाही अंकूश
मुलांनाच जन्म देण्यात होतात
सारे खूश
होतात आजही स्त्रियांवर
राजरोस बलात्कार

अबला नाही ती सबला होणार
कधी साक्षात्कार ? ॥५॥
चला आता सारे आपणही एक
प्रण करू
स्वतःचा विचार नको आता
देशासाठी मरू
रोजगार निर्मितीने होईल
देशाची प्रगती सुरु
अशक्य नाही काहीही आव्हान
आपण स्विकारू ॥६॥
